

A Message from the Volunteer Recruitment & Development Committee

Dear UKFCU Members:

Thank you for your interest in the University of Kentucky Federal Credit Union and the 2019 annual election of the Board of Directors. Each year we elect members to the Board of Directors. As directed by the Credit Union's By-Laws, the Volunteer Recruitment & Development Committee has fulfilled its charge by nominating a candidate for each vacancy. The 2019 Board Nominees are:

Tyler Gayheart – Director of Communication and Technology at the University of Kentucky

Angie Lang – Enterprise Director, Office of Patient Experience at the UK Healthcare

Vikki Parman – System Director of Business Services at the Kentucky Community and Technical College System

These nominees will fill the upcoming Board seats at the next annual meeting. No nominations from the floor will be taken at the annual meeting when the number of nominees equals the number of positions to be filled. Should a member wish to inquire about volunteer opportunities, more information may be found by [clicking here](#).

Sincerely,

Volunteer Recruitment & Development Committee

Vince Marletta, Chair
