

## **A Message from the Volunteer Recruitment & Development Committee**

Dear UKFCU Members:

Thank you for your interest in the University of Kentucky Federal Credit Union and the 2018 annual election of the Board of Directors. Each year we elect members to the Board of Directors. As directed by the Credit Union's By-Laws, the Volunteer Recruitment & Development Committee has fulfilled its charge by nominating a candidate for each vacancy. The 2018 Board Nominees are:

**Stephen Burr** – Executive Director of Enterprise Systems, Information Technology Services at the University of Kentucky

**Gail Carbol** – Human Resources Benefits Manager at the University of Kentucky

**Dr. Cleo Price** – Assistant Dean and Diversity Officer in the Graduate School at the University of Kentucky

These nominees will fill the upcoming Board seats at the next annual meeting. No nominations from the floor will be taken at the annual meeting when the number of nominees equals the number of positions to be filled. Should a member wish to inquire about volunteer opportunities, more information may be found by [clicking here](#).

Sincerely,

Volunteer Recruitment & Development Committee
