Together

Lending a Helping Hand.

Whenever you refinance an auto loan through UK Federal Credit Union, we'll give you 1% cash back. This promotion runs year-round and is quite popular. Since UKFCU strives to do all we can for our local community, we decided to use this promotion to do something good. The Bluegrass Chapter of the American Red Cross responds to emergency situations where they're often the first form of aid to arrive. The decision was made to donate \$25 to The Bluegrass Chapter of the American Red Cross for every auto loan we refinanced in May 2017. At the end of the month the total donation was \$3500!! Given the success of this promotion, we'll be choosing more organizations to donate to throughout the year. Stay tuned and thanks for helping make this possible!

— Rally for Relay —

June at UK Federal Credit Union means it's time to raise money for Relay for Life! While the event is a day full of fun, food, dancing and more, the most important part are the people the event benefits. Far too many people have or know someone who has had cancer and events like these are so important for supporting research and survivors. We're proud to say the UK Federal Credit Union's team raised \$7136.71 which was over 700% of the original goal!!!

While it's nice to go into a branch and have a conversation while making a withdrawal, there are simply times when the convenience of an ATM is better. Whether it's a federal holiday or four in the morning, an ATM is the best choice. In addition to the ATMs UK Federal Credit Union has at each branch and around Lexington, we're also part of a nationwide network of over 30,000 shared credit union ATMs.

30,000 is definitely a great number but we think we can do even better. As of July 2017, UK Federal Credit Union is adding access to the Allpoint ATM network. This means members of UKFCU can access 65,000 ATMs throughout the country for FREE. For even more worldwide convenience, Allpoint also has ATMs in Canada, Mexico, Puerto Rico, the United Kingdom and Australia.

Members can visit Allpoint ATMs at any of the locations above or visit allpointnetwork.com for information on ATMs, locations and more.

New ATM Options

In addition to adding access to the Allpoint network, we are excited to offer two new ATM options in Lexington! Our ATM in Chevy Chase is now a 24 hour drive thru for added convenience.

We're also excited to announce there is a UKFCU ATM in the historic Lyric Theatre in downtown Lexington. Located on the corner at 300 E. 3rd Street, it's just another way we're making life easier
